

i.e. and SDAF

i.e. is proud to participate in the Seattle Deconstructed Art Fair 2020 (SDAF). In addition to our regular gallery exhibition, we will be displaying a rotating selection of works from featured artists in the windows of our gallery in Edison, Washington. All of the featured work will also be displayed in a virtual exhibit, so you can browse safely from your home!

Should you choose to visit us in person, please be sure to bring a mask and observe social distancing guidelines while in the gallery. We regularly disinfect all surfaces and provide gloves and hand sanitizer for our visitors' protection. We are currently limiting our capacity to 2 parties at a time (a "party" must consist of people from the same household) to maintain social distancing while in the gallery. Be sure to call or email if you have additional questions!
